

## NEWS FROM ALL PARTS OF FLORIDA

Titusville and Ft. Pierce are still playing ball. Titusville won in the last game, the score being 4 to 1.

A larger amount of hay has been made in Florida this year than usual, and the hay season is not yet over.

The Georgia-Florida Sawmill Association met in Jacksonville recently and reported a lack of freight cars.

Work on the new county road through St. Cloud is being pushed, and it will soon be in good condition for travel.

The young people of Tallahassee are trying to raise money to establish a Young Men's Christian Association and athletic club.

Lake Butler is having sidewalks and other improvements made. An electric lighting and ice plant are soon to be erected.

The chief of Miami's fire department has been arrested for severely beating one of the horses belonging to the fire department.

The Methodists of Tampa are going to unite and have a big tent meeting in October, with Rev. W. N. Connolly of Springfield, Ill., as leader.

The school trustees of San Mateo have ordered a large water tank and will have it erected and water piped into the school building at once.

J. J. Jones of Miami is preparing to open at an early date a wholesale and retail produce house. This is an enterprise that Miami has long needed.

A young fellow named Elliott, who was traveling with the Indian ball team, was locked up in the Daytona jail for stealing a bicycle, but escaped by sawing out.

On Friday, during an electric storm at Mulberry, Owen Grace, a negro who worked in one of the phosphate plants, was instantly killed and several others were injured.

Much excitement was caused in St. Petersburg recently when a tank at Phiel's mill filled with water fell from its platform and crashed through the roof over the mill. No one was hurt, however.

Inez DeLay, a little child six years old, was struck on the head with a piece of iron piping by a small negro girl in Pensacola the other day. The facts of the case will be brought out in court.

Charlie Harrell of Kathleen was killed at Boca Grande a few days ago. He was employed on the C. H. & N. extension and his death was caused by a pile driver. The exact particulars are not known yet.

An attempt was made a day or so ago to destroy the Crystal Bottling Plant at Tampa. A coal sack saturated with oil was placed under the building and set on fire. It was found before any damage was done.

J. C. Burleigh of Aven Park has purchased a freight automobile to run between the Park and the railroad there. The machine is said to be something out of the ordinary, using both gasoline and electricity for motive power.

The proposed ordinance, introduced

## Poor, Foolish Woman!

Think of her attempting to make ice cream in the old disappointing way! With **JELL-O ICE CREAM Powder**

she can make the most delicious ice cream in ten minutes, freezing and all, at a cost of about one cent a dish—and never go near the stove. Your grocer will tell you all about it, or you can get a book from the Genesee Pure Food Co., Le Roy, N. Y., if you will write them. Grocers sell Jell-O Ice Cream Powder, two packages for 25 cents.

## INDIGESTION?

in the Pensacola council some weeks ago, providing for the placing of gates at certain railroad crossings there, has been killed. Instead the L. & N. will be requested to place flagmen at those points.

The cannery in Lee county, under the supervision of Wm. Gomm, which was established a short time ago, is said to be progressing nicely. Guavas, beans, beets, tomatoes, okra and other vegetables are being canned very satisfactorily by this establishment.

The Home Building Company in Kissimmee has perfected its organization and will begin work at once. A block of land has been purchased in the western part of the town, and plans and specifications for a neat dwelling are now in the hands of the contractors.

Fire Chief Adicks of Lake City is trying to stir the interest of the people of that city and Watertown in the project of a trolley line between the two points, only a few miles apart. He suggests also that it take in the large German colony that is expected to settle near Lake City.

### FOR CITY MARSHAL.

To the Voters of the City of Gainesville: A special election having been called on Tuesday, October 19, for the election of a Marshal to succeed Ben T. Arnow, resigned, I beg to announce that I will be a candidate for that office, and ask the support of my friends. Being thoroughly experienced along the line of police work, which has been gained by a practical experience, and being now acting Marshal, if my action in this capacity meets your approval, I ask your votes to be continued in office. Sincerely, **HARRY L. OWENS.**

I respectfully announce myself a candidate for City Marshal at the special election to be held on October 19th. I am in the race until the polls close on the day of the election, and respectfully solicit the votes of my fellow-citizens, promising, if elected, to perform the duties of the office without fear or favor. Give me your support, and you will never have cause to regret it.

**CHAS. M. DELL.**

### To Be Happy

You must have good health. You can't have good health if your liver is not doing its duty—slow but sure poisoning is going on all the time under such circumstances. Ballard's Herbine makes a perfectly healthy liver—keeps the stomach and bowels right and acts as a tonic for the entire system. Sold by W. M. Johnson.

Lost—Ladies' solid gold hunting-case, "O"-size Waltham-movement watch, with small scratched number in back case X7179; on fob was a Randolph-Macon pin and half-dollar charm. May have been lost on Gainesville-Rochelle-Micanopy road. Reward for return of same to this office.

A hundred night riders, including the eight men whose death sentences for the murder of Capt. Rankin were reversed because the indictment did not mention the State, will be tried at a special November term in Union City, Tenn.

### For HEADACHE—Hicks' CAPUDINE.

Whether from colds, heat, stomach or nervous troubles, Capudine will relieve you. It's liquid—pleasant to take—acts immediately. Try it. 10c, 25c and 50c at all drug stores

## NEWS OF CITY AND COUNTY CONDENSED

F. Y. Smith, the attorney of Alachua, was a visitor here yesterday.

Miss Eva Robinson, after a pleasant visit of a few days with her mother in East Gainesville, returned to Jacksonville yesterday.

The Alachua County Abstract Company have an attractive advertisement in this issue, to which our readers' attention is called.

Mrs. N. R. Carter of Levyville is in the city on a visit to relatives. At present she is the guest of her son, W. P. Carter of East Gainesville.

Mrs. L. M. McCormick left yesterday for Hawthorn, where she will spend the next several days visiting her mother, Mrs. D. C. McIntosh.

Mitchell Browning of Trenton was visiting the county capital yesterday. He says the farmers are all happy in his section and busy with their corn and cotton crops.

"I suffered habitually from constipation. Doan's Regulets relieved and strengthened the bowels, so that they have been regular ever since."—A. E. Davis, grocer, Sulphur Springs, Tex.

J. T. Markey of High Springs was in the city yesterday. He is an extensive user of printers' ink and says where he has no newspaper he finds the circular method of advertising most profitable.

W. J. Lock, deputy sheriff at Wilcox, was a visitor to the county capital yesterday. He says business is on the increase, and that things are lively in that section since the cotton season opened up.

John W. Mooty of Alachua, the efficient marshal of that place, was in Gainesville yesterday. He has been suffering with a lame foot for some time, but is again enabled to get around with the aid of crutches.

Lawrence Coles left yesterday for Jacksonville, where he will spend a couple of days in attendance upon the State meeting of the Florida Optical Association, he being a member of that body for the past two years.

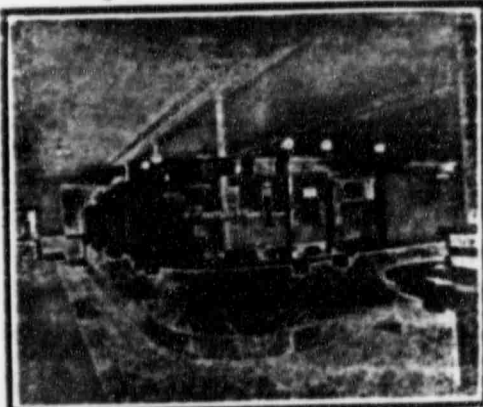

N. B. Mott, a successful merchant of Micanopy, was transacting business in Gainesville yesterday. He states that the truckers are all busy and will have a large acreage of beans, peas and lettuce for fall shipment.

Coles & Son, the jewelers and opticians, have a change of advertisement in today's issue of The Sun which will prove of interest to those that wear glasses. If you are in need of such service read what they have to say.

Rufus Robbins and Ryals Wagner will leave the first of next week for Gainesville, where they will attend the University of Florida the coming year. The former enters the law department, and the latter will take a course in mechanical engineering.—Titusville Advocate.

## "That Which Is Worth Having Is Worth Advertising For"

The old adage that what is worth having is worth asking for is still true—true of the more intricate life of today.

The thing you want—whether it is a used piano or a home, whether it is a ready-made business or a lost pocket-book—is obtained readily through advertising, and with difficulty, or not at all, through other means.
